

Introduction to the Regrarians Platform®

Monday 2nd October

About

The Regrarians Platform® was created to take into consideration all elements of landscape and enterprise in property planning. This introduction will use a sample property to show the principles in action, and help guide participants to start their own property planning process.

When & Where

Monday 2nd October
2017

9:00am-3:00pm

Private residence—please register for location details
