FREE SUSTAINABLE GARDENING WORKSHOPS

SATURDAY 21 OCTOBER

Celebrity gardener, John Colwill from Beyond Gardens, will be coming to the Village Shopping Centre in Australind to share his knowledge about how you can create a waterwise garden that requires minimal fertilising to protect the estuary, without compromising on style, using resilient local native plants.

There will be displays from Water Corporation, Leschenault Catchment Council and the Leschenault Community Nursery. There will be plenty of native plants for sale, as well as nursery staff and volunteers on hand to answer your gardening queries.

TWO SESSIONS:
 10 – 11AM
 AND
 12 – 1PM

—

AUSTRALIND SHOPPING CENTRE, NEAR ALDI SUPERMARKET
